Subject : Backyard Garden Maintenance

Dear Residents,

Part of our continued effort and support to maintain privacy in residents backyards, effective with the new landscaping contract, maintenance of the backyards will be the residents' responsibility. Thus, tenants of villas will be responsible to maintain their gardens including; cleaning, grass mowing and other gardening activities. Residents in villas may freely grow flowers, fruits, vegetables and other plants in their backyards.

The maintenance of villa's front yards will continue to be carried out by the Al Khor Community Landscaping Team.

This is for your information and we highly appreciate your cooperation. Should you require any further clarification, kindly communicate with our Landscaping Section, telephone number 4473-4555.

Best Regards,

Hamad Al Humaidi
Al Khor Community Manager
